DRINK RECOMMENDATIONS

We offer drink recommendations for each dish, available by the glass or bottle. Feel free to discuss your preferences with your waitress, we are here to help you find the perfect pairing! We also have a broad selection of non-alcoholic wines and beers.

THOREAU WATER CONCEPT

Has never been transported by truck. Instead of unnecessary transportation, the tap water is filtered to perfection in Thoreau's facility here with us. It both tastes and feels better. Choose between still or carbonated.
